

**51<sup>st</sup> Annual**

**Saturday July 13, 2024**

**Oakley, Utah**

**Oakley Rodeo Grounds Indoor Arena**

**Registration is due before midnight on July 11, 2024**

<http://www.fairentry.com/Fair/SignIn/20778>

## Schedule of Events

Saturday July 13<sup>th</sup>, 2024

- 7:15 am to 7:45 am**      **Hog Unloading/Penning.** (no hog pens available for late entries)
- 8:00 am – 9:00 am**      **\*Hog Showmanship (Senior, Intermediate, Junior)**
- 9:00 am – 9:30 am**      **Steer Receiving/ Weigh In**  
Steers will be weighed in the alley way of the horse stall barn.  
No steers in the indoor arena or show area until hogs have been loaded out.
- 10:00 am – 12:00 pm**      **Steer Show and Judging**  
Showmanship (Senior, Intermediate and Junior)  
Market Classes (Light weight to Heavy Weight)
- 12:00 pm – 12:30 pm**      **Goat Receiving/Weigh in**  
Goats will be weighed in the alley way of the horse stall barn.  
No goats in the indoor arena or show area until steers have been moved out.
- 1:00 pm to 2:00 pm**      **Goat Show and Judging**  
Showmanship (Senior, Intermediate and Junior)  
Market Classes (Light weight to Heavy Weight)
- 1:30 pm – 2:00 pm**      **Lamb Receiving/Weigh In**
- 2:30 pm – 4:30 pm**      **Lamb Show and Judging**  
Showmanship (Senior, Intermediate, Junior)  
Market Classes (Light weight to Heavy Weight)

**\*Hog Showmanship (Senior, Intermediate, Junior):**

The hog show is currently **limited to showmanship only**. Please bring people to help you unload and manage your pigs, as there will not be committee members to help unload. Pens will be available to hold hogs. Bring your own waterers and sprayers to keep hogs cool. Hogs must be removed from the indoor arena immediately after classes end.

**Weigh Ins :**

Steer, Goat and Lamb weigh in location will be in the horse box stall barn (North east of the indoor arena). Steer, goat and lamb show will be in the indoor rodeo arena north end. We will be using the north entrances to access the building with animals. Please pay attention to the entrance and exit signs.

This event is held in cooperation with the Utah State Department of Agriculture and the Summit County Jr. Livestock Committee and the Kamas Valley Junior Livestock Show Committee. The purpose of the Kamas Valley Junior Livestock Show is to provide Jr. Livestock Exhibitors from throughout the state an opportunity to show their animals at a non-terminal show, prior to attending a terminal show of their choice. It also provides an educational opportunity to improve their fitting and showing skills, in addition to furthering their knowledge of the livestock industry. This is a growing event with a new date and committee-please be patient.

#### Show Committee

Katie Silcox	<b>Show Secretary/Treasurer</b>
Jolene Christensen	<b>Show Treasurer/Secretary</b>
Jake Woolstenhulme	<b>South Summit FFA</b>
Neil Creer	<b>South Summit FFA</b>
Shoat Roath	<b>North Summit FFA</b>
Skyler McCormick	<b>Committee Member</b>
Wes Pearce	<b>Committee Member</b>

#### **Judge:**

### **Kamas Valley Junior Livestock Show General Rules**

1. All exhibitors must pre-register by midnight on July 11, 2024.
2. Exhibitors must be in the third grade. But not less than eight years of age as of January 1 of the current year. Exhibitors can only show through the same season as their high school graduation, but not past their 19<sup>th</sup> birthday. Exhibitors must be currently enrolled in a Utah 4-H program or FFA program. Refer to the state rules for detailed age requirements.
3. This show is classified as a **blow and go show**. Bring your animals to the show clean and ready to show. There are no wash bays or electrical plugs for this show. There are a limited number of water hydrants close to the show arena. Please bring the supplies that you will need for power and water (cords, generators, water hoses, etc. ) No utilities will be provided.
4. All animals must be groomed, ready for judging according to show schedule. Animals not properly groomed and trained for the show will not be eligible for prize money. No dirty animals-clean animals with proper show halters are required.
5. No trimming of animals in the indoor arena, no use of blowers to blow animals in the indoor arena.
6. Exhibitors need to have animals remain outside of the indoor arena until the start time of the species they are showing.
7. Exhibitors must be present and show their own animal, unless they have multiple animals in the same weight class, then the animals can be shown by other registered exhibitors.
8. Showmanship (oldest to youngest) will be followed by confirmation classes (light to heavy) for all species. **All exhibitors must enter the showmanship class and participate in showmanship to be eligible to show in the confirmation classes!**

9. The show officers/committee will use every precaution to protect livestock while at the show; however, they assume no responsibility for the injury to or loss of animals from any cause. Exhibitors/families agree to release show management of all liability while attending the stock show.
10. The judges will be instructed to award prizes according to the merit of the exhibit, regardless of competition.
11. Exhibitors will be expected to provide their own bedding and feed at the show if needed.
12. Any sick animal will be turned away from the show. Please do not bring animals to the show that are sick.
13. **All premium money will be awarded proportionately to the exhibitors. Premiums will be paid in cash the day of the show.**
14. The showmanship contest will be divided into three groups. Prizes will be the same for each group. Showmanship contest: grade in school as of May 1 the current year.
  - a. Junior Division 3<sup>rd</sup> – 5<sup>th</sup> grades
  - b. Intermediate Division 6<sup>th</sup> -8<sup>th</sup> grades
  - c. Senior. Division 9<sup>th</sup> – 12<sup>th</sup> grades
15. Exhibitors will dress according to the state stock show rules in the show ring. Dress Code:
  - a. **4-H:** A long or short sleeve shirt, which fastens down the front with a collar, is mandatory. Shirts must be solid white in color and need not be a western style. Black or dark blue pants are to be worn. There is to be a 4-H emblem or patch on all 4-H member's shirts.
  - b. **FFA:** Either a white shirt, tie and FFA jacket (preferred for this show) or a white shirt with the FFA emblem and tie. (No T-shirts, shirts should be button up collared shirts). Black or dark blue pants are to be worn.
  - c. The following will not be allowed: T-shirts, tank tops, tube tops, vests, sleeveless shirts.
16. There will be pens available for hogs only. There will be no pens/stalls available for steers, goats, lambs. Please be prepared to show out of and off of your trailer. Showing off of your trailer is acceptable and preferred.
17. This show follows additional rules approved by the Utah Junior Livestock Show Association. For a complete set of rules, refer to the back pages of this rule book.
18. Show committee has the right to turn away any exhibitor and animal for any reason.
19. Participation is not guaranteed without pre-registering. Premiums will not be paid to those not pre-registered. Only hogs that are pre-registered for showmanship will be allowed to unload.
20. Must clean up after yourselves in the show arena area and the prep and fitting area.
21. NO more than three entries per species per exhibitor.
22. **\$20 late fee per head to enter the day of show.**
23. Be a decent human being, pick up after yourselves, cheer for others, help others that are new or struggling, be prepared to pay a \$50 fine for whining.

  - c. Junior - Premiums or Special Awards
  - d. Premiums will be paid on site for exhibitors that are registered before the deadline.
2. Market Hog – No market classes this year, showmanship only.

**UTAH JUNIOR LIVESTOCK SHOW ASSOCIATION**  
**OFFICIAL RULES**  
2024 Show Season

These rules and guidelines are aimed at standardizing junior livestock shows in Utah. Standardization will help provide the best possible educational experience for the young people in the state of Utah who have 4-H or FFA livestock projects. The Utah Junior Livestock Show Association is given this responsibility by the Utah Administrative Rule R65-8 and Utah Code Section 4-2-103(1)(i), 103(1)(m) through the Utah Department of Agriculture and the Utah Legislature. ***These rules are to be in effect at any show receiving funds through the Association.*** Every effort has been made to ensure the accuracy of this information as it is distributed or published by member shows. However, exhibitors are cautioned that the current rules and regulations of the Utah Junior Livestock Show Association, as interpreted by the officers of the Association, will take precedence over such listings due to the possibility of typographical error or inadvertent omission.

- **A Total Experience:**

Exhibitors are encouraged to participate in the complete educational opportunity that junior livestock shows provide, such as the rate of gain, carcass, fitting and showing, record book, and livestock judging contests along with the judging of market and breeding animals. It is the purpose of these projects to develop life skills, animal husbandry and marketing skills among the participants.

- **Tagging:**

**All market animals must be tagged with standardized tags to be eligible to show at any Utah Junior Livestock Association supported show. Exhibitors will be verified as 4-H and FFA members in good standing by their county office or FFA advisor. Contact your county extension staff, FFA advisor, or show director for specifics on tagging animals and being verified within your county.** See tagging policy, B. Market Animal Rules: 2. Tagging

## **A. GENERAL RULES**

1. **Age:** -- **Utah 4-H Age Divisions are based on a child's school grade.** The Utah 4-H year will begin on September 1.

- Junior 4-H Members 3rd\* through 5th Grade
- Intermediate 4-H Members 6th through 8th Grade
- Senior 4-H Members 9th through 12th Grade

\*Youth MUST be age 8 AND in 3rd grade to participate in large animal projects. Youth turning 8 AND in 3rd grade may participate after their 8th birthday during the 4-H year. Please note that youth must turn 8 by the ownership deadline (100 days prior to the show for cattle, 60 days prior to the show for sheep, goats, and hogs) to participate in the livestock program.

2. **Group Affiliation** -- An exhibitor may enter a given show only as a 4-H or FFA member, but not both. Exhibitors must declare one or the other at time of entry.

3. **Ownership of animals** - The exhibitor will own, possess, feed, and care for his/her project animal(s) for not less than 100 consecutive days for market beef and 60 consecutive days for market swine, market sheep and market goats immediately prior to the opening day of the show in which they intend to participate. No interruption of ownership or possession can occur. Overall grand and reserve champion market animals in each species will be tattooed in the left ear with a CH for champion. Animals with this tattoo are not eligible to enter and show in any show sanctioned by the Utah Junior Livestock Association.

4. **Fitting on show grounds** -- Parents, guardians, siblings, club leaders, extension/4-H agents and FFA advisors may assist and are encouraged to assist the younger exhibitors. However, each exhibitor must be working with the project animal and be in attendance with that animal during the entire fitting process.

5. **Code of Ethics** (rules 5a through 5h) -- The following practices or procedures are unacceptable in the care, fitting, preparation and showing of all classes of livestock. Any violation of association rules or specific rules as designated by individual fairs and livestock shows may result in forfeiture of premiums and awards, disqualification, and may result in probationary status and/or loss of eligibility for future participation in Association member shows. Possible civil penalties may be imposed by the proper authorities based on evidence provided by the livestock show of exhibitors in violation of the Federal Food, Drug and Cosmetic act/or the animal mistreatment, neglect, and abandonment laws that apply on the local, state, and national levels. Other member shows will be notified of any action taken by show management, which may affect the eligibility of the individual, group, or sponsoring organization for participation at other shows. The decision of the livestock show management will be final.

- a. The use of any drug, tranquilizer, sedative, or depressant, which alters the psychological or physiological state of the animal, is illegal. Exceptions to this rule would be licensed, certified veterinarians, treatment for a recognized disease or injury, or recommendation for tranquilizing breeding animals in heat that might compromise the safety of others. The drugs must be approved by the Food and Drug Administration for use in meat producing animals. All

exhibitors will advise show management of any drug and/or medication administered to an animal that might be detected at the time of showing or at meat inspection. The name of the drug, its purpose, the person who administered the drug, time, and date of administration will be presented to show management prior to the showing and sale of the animals. Failure to report this information will result in severe penalties and/or disqualification. Any use of drugs or substances not approved by the Food and Drug Administration is strictly prohibited. All animals entered in livestock competition will be subject to testing for foreign substances that exceed acceptable levels established by the FDA, FSIS, USDA, or EPA. This includes any non-labeled feed additives or substances not approved for that species. During the livestock event, in the case of an animal requiring treatment, all medication shall be administered by a licensed veterinarian and the livestock show officials shall be notified. Use of an illegal drug is considered a premeditated act and any information obtained in the practice of illegal alteration of any animal will be turned over to the proper authorities for possible criminal prosecution.

- b. Surgery, injection, or insertion of foreign material under the skin and/or into the flesh of animal to change the natural contour, conformation, or appearance of an animal's body is illegal. This includes vegetable oil, silicon, or any other substance used to alter an animal's shape. Acceptable practices of physical preparations, which are allowed, include: clipping of hair, trimming of hooves, dehorning, or removal of ancillary teats.
- c. Each exhibitor has absolute responsibility for the care and condition of the animal(s) they enter and bring to the show.
- d. The use of inhumane fitting, showing, and handling practices or devices shall not be tolerated. For example: breaking of tails, striking of the animal to cause swelling or for bracing purposes, use of an electrical contrivance, etc. is not acceptable.
- e. Direct criticism or interference with the judge, show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited.
- f. Market grand and reserve champion animals that pass through a sale, may be drug tested, at the discretion of the show.
- g. At the time an animal is sold at auction at the livestock show, the exhibitors shall be held directly responsible for animals that are rejected at the processing center for any reason. The seller may be liable to the buyer for an amount equal to three times the purchase price and may also be liable for attorney's fees and civil penalties. Show management may share acceptable intelligence and evidence information with FDA or USDA. If, for any reason, the FDA or USDA inspectors must remove any part of a meat animal carcass, the market price will be discounted.
- h. Show management reserves the right to require animal health certificates. Health inspection and diagnostic tests may be made before or after animals are on the livestock show premises for exhibitor and animal safety, or to inaugurate disease control procedures which may become necessary in emergencies as determined by animal health officials.

6. **Code of Conduct** - All 4-H and FFA members, family members, and associates will exhibit good sportsmanship at all times. Every exhibitor, family member and associate of exhibitor, is required to follow the Utah 4-H and Utah FFA Code of Conduct at any Utah Junior Livestock Association sponsored event. Here are a few points from the Code of Conduct that we want to remind you:

- Have positive character and behavior
- Follow guidelines and rules
- Be responsive to reasonable requests of show management and event staff
- Be respectful of the safety of others
- Dress appropriately, use appropriate language, and respect the rights of others
- Be respectful of property
- Do not behave recklessly, assault, threaten, or harm another person

Be aware that abuse of animals or people of any kind by any member or associate will be cause for disqualification of the 4-H or FFA exhibitor. If any participant, volunteer, or associate violates the Code of Conduct or jeopardizes the safe environment of any Utah Junior Livestock Association sponsored activity or event, that individual will be subject to suspension from further Utah Junior Livestock Association activities. A suspension is appropriate if there are multiple written statements regarding the aforementioned behaviors, and if measures have been taken to correct the behavior with no change. Each situation is evaluated individually and will be discussed with county 4-H and FFA faculty and staff as appropriate to determine when the suspension can or will be lifted.

7. **Dress Code –4-H** - A long or short sleeve shirt, which fastens down the front with a collar, is mandatory. Shirts must be solid white in color and need not be Western style. Black or blue pants are to be worn. **4-H patch with the 4-H emblem must be worn on the upper left sleeve.** Patches must be visible during the event. No patch or patch not visible is not considered Official 4-H Dress. Acceptable patches include any previously manufactured USU patch or other 4-H patches available for purchase through the 4-H mall that includes a big clover. These are available online at <https://shop4-h.org>. Embroidered or screen printed 4-H clover emblem are acceptable. Questions regarding official 4-H dress will be deferred to the Utah 4-H Website or the Utah 4-H representative in attendance of the show.

**FFA** - Either a white shirt, tie and FFA jacket, or a white collared shirt with the FFA emblem and tie.

**The following will not be allowed:** T-shirts, tank tops, tube tops, sleeveless shirts and vests.

Exhibitors who fail to abide by dress standards will forfeit prize money.

8. **Sales Fee** - A sales fee not to exceed 5% will be withheld from sales checks by all state-assisted shows. Any purchaser(s) of animals from a Junior Livestock Show Auction must pay the Show the full purchase price of sale regardless of buy-back.
9. **Show Eligibility** - Animals are eligible for any show for which they meet ownership and show requirements.
10. **Change of Ownership** - Once an animal has gone through any stockshow sale, regardless of buyback or no-sale, it is no longer eligible to enter a state assisted show.
11. **Lamb Docking Rule** – Scientific research indicates that the incidence of rectal prolapsed is reduced when the tail is docked in a non-extreme manner. The recommended method is to dock at the distal end on the caudal fold (3<sup>rd</sup> caudal vertebra). Complete tail removal (extreme docking) is not an accepted sheep production practice and is discouraged for all Utah Junior Livestock sheep projects. *Market lambs or breeding sheep showing any signs of contagious disease or current or recent signs of prolapse, or with an open sore on the dock (rosebud), will be sifted from Utah Junior Livestock Shows at the discretion of the state show vet at the time of weigh in and their determination is final.*

## **B. MARKET ANIMAL RULES:**

1. **Drug Withdrawal** -- It is unethical, and in most cases even unlawful to administer drugs to livestock within 20 to 30 days of slaughter. Animals too unmanageable to show should be withdrawn from their class rather than be tranquilized. The local show committee and the show veterinarian will monitor this situation. By federal regulations, random testing will occur at slaughter, and animals will be condemned which have been given any injection or oral dosages of tranquilizers, pain killers, antibiotics, diuretics, steroids, or other foreign substances during withdrawal periods before slaughter. All sales money will be withheld in such cases. Bloat medicine and other medications with no withdrawal requirements may be permissible. Exhibitors need to be aware of potential health hazards to consumers who eat animals that have received any above-mentioned substances. Please do not put someone's life in jeopardy.
2. **Tagging** – Tagging policy and deadlines found at <https://utahjuniorlivestock.com/junior-livestock-tags>. Should a tag be lost or pulled out of an animal's ear, the exhibitor will advise the county extension staff, FFA advisor, or show director immediately so that the tag can be replaced.
3. **Entry Forms & Deadlines** – Exhibitors must check with each livestock show for entry deadline for that specific show. Exhibitors are responsible for mailing their own entry form. Entries postmarked by that date will be accepted. Exhibitors must declare which animals are to be shown and submit an entry form and entry fees to the appropriate shows, including State Association ear tag numbers. The tag number and alternate tag number must be specified on the exhibitor entry form to be eligible. Entries may not exceed the limits for each show (see form 4) including one alternate animal per species entered. Forms must be signed by a proper Extension/4-H agent or FFA advisor to verify exhibitors and animals are a legitimate entry for the show they are entering. Extension/4-H agents or FFA advisors should only sign forms for those youth enrolled in their programs. The Extension/4-H agent or FFA advisor and parents will verify eligibility for group and family feeding programs. Entry forms for fitting and showmanship classes must also be submitted by the entry deadline of the show and need to indicate class to be entered (species) and age of exhibitor.

Entry fees will not be withheld from sales checks. Entry fees are to be sent along with all entry forms.

4. **Poultry** - In keeping with the desire to help eliminate disease problems, certain counties will not be eligible to receive turkey poultry from the Moroni hatchery. Exhibitors may, however, have turkey projects along with family commercial operations. An exhibitor will own, feed and care for his/her project turkeys for not less than 20 weeks prior to the turkey show. Birds must not be more than 24 weeks of age at the time of the show.

## **C. BREEDING ANIMALS:**

Exhibitors are encouraged to expand their scope of livestock project experience to include breeding livestock projects.

## **D. RULE ENFORCEMENT:**

The local show has the responsibility to enforce the rules and regulations at their show. Any further action needs to be submitted in writing to the Utah State Junior Livestock Shows Association Board. Shows that do not comply with and enforce the rules adopted may lose Association funding. If immediate action is needed, the board of the Utah State Junior Livestock Shows Association is empowered to make the ruling decision. The State Veterinarian has the final ruling on lamb tail docking and any health
